Forecast for Tuesday 22 Aug 2023

Weather: Cloudy overnight with some patchy and mostly light rain then mainly dry and bright with sunny spells developing in the morning. Cloud bubbling up to bring scattered showers from late morning onwards, the odd heavy one possible, then becoming dry with lengthening clear spells in the evening.

Chance of cloud-free hill tops above 700m: 30% overnight and early morning, becoming 80% during the morning.

Low cloud and visibility: Often poor on higher slopes overnight and early morning with areas of cloud and fog above 500m. Visibility becoming mainly good through the morning with cloud lifting above summits but briefly poor in any showers.
